

INVITATION

18.11. 2019

Elementary High School Kapinov, Administrative unit, Berat

Project “LASPEH” the first meeting of the awareness campaign, in Kapinov, Berat

National Agency of Protected Areas, NAPA and the Regional Administrative of Protected Area, RAPA Berat has the pleasure to invite you to the first meeting of the awareness campaign, which will be organized in Kapinov, Berat 18 November 2019.

The project LASPEH - “Low Adriatic Species and Habitat”, is co-funded by the Interreg IPA CBC Italy-Albania-Montenegro Programmer.

In Albania this project LASPEH will implement several activities for the better management of conservation plans on priority species in the pilot area, National Park “Tomorri Mountain”, Berat.

National Park of “Tomorri Mountain” is one of the few examples of how the joint efforts could be successful in sustaining the community in using the services of the park in a sustainable way.

NAPA is promoting Protected Areas and support the biodiversity safeguard reducing the contractions of biological diversities.

Zamir DEDEJ

General Director of National Agency of Protected Areas
