

LASPEH “Low Adriatic Species and Habitat”

D.T1.2.1 Awareness Campaign on stakeholders

PP2 National Agency of Protected Areas NAPA

Report

National Agency of Protected Areas, NAPA through partnerity in the LASPEH project, funded by INTERREG IPA CBC Italy-Albania-Montenegro programme, has implement the Activity A.T1.2 Awareness campaign on stakeholders.

The Awareness Campaing consist in organisation of targeted workshops addressed to schools and families on environment preservation, organisation of visits to natural sites for children, schools, families, with the purpose of boosting sustainable tourism and in monitoring of the dissemination effectiveness.

NAPA and RAPA Berat through six meetings has introduced the values in habitats and species of National Park Tomorri Mountain making possible in this way the increase of tourists' interest for protected areas and community raising awareness as well as the positive impact of the protected areas, in the surrounding local communities.

The activities of the Awareness campaing have enhance the cooperation between target groups in the National Park Tomori Mountain for nature conservation, better management and improvement of protected areas in the National Park Tomorri Mountain.

Through this important activity NAPA and RAPA Berat has provide a better protection of Western Capercaillie, *Tetrao urogallus*, part of Red List species in Albania, in the National Park Tomorri Mountain but also has made a promotion of this specie.

Awareness campaign meetings were held in Kapinov, Tomorr, Dardhe, Kapinove, Ujanik-Gjerbes, Gjerbes villages, Municipality Berat and Skrapar, Berat District.

Organization of **six** meetings of the awareness campaign, in Kapinov, Tomorr, Dardhe, Kapinove, ujanik-Gjerbes, Gjerbes Berat is made by the National Agency of Protected Areas, NAPA PP2, in cooperation with the Regional Administration of Protected Areas.
